

GRIEVE

NOT

for a cappella voices

JOELLE WALLACH

Grieve Not

If I should ever leave you whom I love
To go along the Silent Way,
grieve not,
Nor speak of me with tears,
but laugh and talk
of me as if I were beside you there.

(I'd come-I'd come, could I but find a way!)

...

And when you hear a song or
see a bird I loved,
please do not let the thought of me be sad...
For I am loving you just as I always have...

You were so good to me!
There are so many things I wanted still
to do-
so many things to say to you...
Remember that I did not fear-
It was just leaving you that was so hard to face...

We cannot see Beyond...
But this I know:
I loved you so-
'twas heaven here with you!
